SHE WASN'T LOOKING FOR TROUBLE.
SHE JUST HIRED IT!

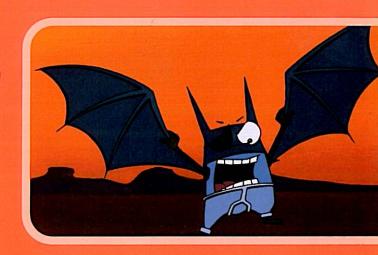

## BAD THINGS COME IN SMALL PACKAGES!

Meet Marion, the meanest, roughest, toughest, fluffiest blue hamster in the universe. He's a fierce bounty hunter, or so he would have you believe! This walking attitude problem has a lot to prove. Call him if you're in trouble but NEVER call himcute!

He's hired by an Earth girl called Cassie, to find her missing father somewhere out there in the final frontiers of space · and that's when her troubles really begin! Her quest will never be easy with this explosive mix of a very big mouth and a very small brain by her side.

Our mismatched duo soon become an hilarious double act, speeding their way through a galaxy of wild adventures in a series that is fast, funny and science fictional · brought to you by a multi-award winning production feam.

26 x limin episodes of crazy 2D 3D Animation for 7·12 year·olds

Created and developed by BAFTa award winning company Silver Fox Films (The Forgotten Toys, First Snow of Winter, William's Wish Wellingtons)

Written by Peafur Productions (Rex the Runt. The First Snow of Winter, Agagh! It's the Mr HellShow!)

2003 BAFTA
Award Nominee
for Best
Animation
