

HIP HOP KIDZ

NO DRUGS
IT'S A
BEAUTIFUL
THING

NO VIOLENCE

JUST DANCE!

HIP HOP KIDZ[®]

The **Hip Hop Kidz'** pull out all the stops to create a music video for a contest that could land them a genuine record deal. But Allison, the newest member of the **Hip Hop Kidz** dance troupe, is the daughter of a conservative business man who disapproves of anything to do with hip-hop music. He doesn't even know she's a Hip Hop Kid. She is torn between loyalty to her friends and the approval of her father. Without her, the video won't get made and her friends may miss their big break. Does she dare to defy her father? Or, can she find another solution?

Executive produced by industry veterans Mark Bacino and Jim Green, the creative team behind the mega-successful Mary-Kate and Ashley Olsen movies, **Hip Hop Kidz: It's a Beautiful Thing** features a fabulous soundtrack and spectacular dance routines that every kid will want for the next school dance. Based on the internationally known Hip Hop Kidz dance clubs started in 1990 by choreographer Suzy Stone, this exciting and contemporary movie pulses with energy. Sporting the motto "No Drugs. No Violence. Just Dance," this up-to-the-minute production is sure to appeal to today's teens and 'tweens.

HHK Entertainment and Foothill are laying plans to further develop the franchise through a broad-based merchandising campaign as well as seeking partners to expand the property to include an episodic series or additional video premier movies. Genius Entertainment has released the DVD **Hip Hop Kidz: It's a Beautiful Thing** throughout North America and a best selling series of companion books is being published by Penguin Young Reader.

Worldwide rights are available for this live-action movie produced by HHK Entertainment.
