EDDY & the BEAR

Based on the much-loved characters created in Jez Alborough's best-selling children's books, Eddy & the Bear is the continuing story of a little boy's first ever friendship – with a ten foot tall, talking bear! Eddy and the big Bear are inseparable best friends and each episode follows their daily adventures in and around the woods near Eddy's home, as well as the weird and wonderful world of their imaginations. Bear introduces Eddy to the wonders of the natural world and Eddy confuses Bear with talk of computer games and school, but nothing shakes the solid foundations of their friendship. Eddy & the Bear is about seeing the world with a fresh pair of eyes, as they explore the differences between their worlds and find a harmony between them.
