

Elysium

1 x 85' Animated Movie

In 2113, the peaceful Earth is being invaded by an external world 'Elysium'. Four warriors chosen to lead the Ark are faced with determining the destiny of the entire human race. VAN, Christopher, Paul and Nyx - they are the four warriors who will protect Earth's peace.

VAN attains justice by the power of love. Christopher is an indomitable pilot. Paul is a strange boy who has both power and wisdom. Nyx is the beautiful righteous she-warrior of Elysium. By controlling the mechanical robots attached to their bodies as one, these warriors fight the army of the demon Necros with wisdom, courage and the power of friendship. Along the way, their collective strengths overcome their individual weaknesses: The thoughtlessness of the rashly acting Paul is overcome by the accurate strategies of the soldier, Christopher. And even VAN, who is still grieving the death of his ballerina girlfriend LYDIA, gets new courage from Nyx, who saved him from danger even though she was the enemy. These four become true galactic knights who guard the peaceful Earth.
