

FILM ROMAN'S HEATHCLIFF ANIMATED SERIES

REVITALIZING A CLASSIC FOR A NEW GENERATION

FILM ROMAN, the studio behind *The Simpsons*, is teaming with Steve Waterman, producer of *Stuart Little* and *Alvin and the Chipmunks*, to produce a new CGI series of HEATHCLIFF starring the original orange feline smooth operator.

Genre: Animation, Adventure, Comedy **Running Time:** 52 x 11'

HEATHCLIFF - Ever the prankster and always cooking up a clever heist, Heathcliff is out to show who rules the neighborhood! All day, every day, this street cat redefines the roll of felines with wit, charm and cattitude.

Through cunning, street smarts and unapologetic swagger, Heathcliff rules the roofs and alleys of Westfinster. With the help of his lovely girlfriend Sonja, unruly Pops and merry band of villains, he lives for the chance to risk one of his nine lives. Whether it's outsmarting Mr. Schultz to steal a pallet of sardines, tricking CatCo's formula to turn dogs into cats or lazing about all day only to become an overnight celebrity, Heathcliff proves with every adventure that a cat is not just a cat.

Worldwide rights available for this 52 x 11' animated series to be produced by Film Roman.

TOO SMART TO BE A CAT
