THE THREE BEARS™

Based on the popular tale of “The Three Bears”, this series follows the adventures of a family of bears (Bob, Toc and Vicky) who live in a magical forest filled with fantastic characters such as the Snow King, and the Magic Dog. Each episode involves an adventure that the Three Bears go on together although they usually get into tons of fun and trouble along the way.

This animation series, aimed at the preschool audience, shares excellent family values with the viewers and teaches important lessons involving problem solving, story-telling and includes lots of adventures!

International rights are available in English speaking territories for this pre-school series produced by Neptuno Films.
